“QUALITY MAKES US GROW”

We are producers of food excellence, committed to a continuous search for quality. We are protagonists in the domestic market and a solid reality in the European market. We aim at reliability, competitiveness, the highest quality craftsmanship. We propose over 230 references to increasingly demanding customers, making us a company of absolute leadership.

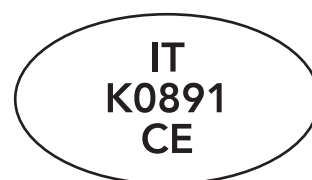

More than 30 years in the sign of food excellence.

New production site, new high-tech machinery, constant passion and attention devoted daily to our products.

These are the solid foundations with which we look at our future without forgetting the past, ensuring a pasta that still contains unchanged nutritional properties, authenticity and flavour typical of the fresh product.

TP 0241

FILLINGS WITH GOAT CHEESE

The goat's milk we use in our new fillings comes from farms on 100% Sardinian natural pastures. Thanks to the variety of natural herbs from which the goats are fed, the cheeses obtained have an unmistakable taste, are light and digestible, thanks to the unique organoleptic and nutritional properties of goat's milk.

SEADAS
WITH GOAT CHEESE
AND ORANGE SKIN

TP 0373 *Pasta ingredients:* Durum wheat semolina, type 00 soft wheat flour, water, lard, vegetable carbon, salt.
Filling ingredients: Fresh cow's milk cheese, goat's milk cheese, fresh orange skin.

VEGETABLE CARBON
The vegetable carbon we use is a 100% natural product, ideal for pasta and bread. The main features of this ingredient have beneficial effects on the body; it is in fact useful to reduce abdominal swelling, helps eliminate harmful toxins and improves digestion.

SEADAS
WITH SHEEP'S MILK CHEESE
AND MANDARIN ESSENCE

TP 0123 *Pasta ingredients:* typo 00 soft wheat flour, durum wheat flour, water, lard, cocoa, salt.
Filling ingredients: Cow's milk ricotta, sugar, orange skin, animal gelatin, lemon skin, egg yolk, vanilla.

COCOA
The cocoa powder we use is 100% pure and organic, it contains a high amount of antioxidants, including polyphenols, which are very important because they protect us from damage caused by free radicals. It also has a high amount of magnesium, which is necessary for healthy bones, teeth, heart, muscles and nerves.
